

SICATECH – padholder magnetic

SICATECH padholder, with magnetic fast attachment makes it easy and fast to change silicone pad and keep the placement.

SICATECH – click attachment

We offer a special customized padholder with magnetic click attachment which makes it possible to change pads in seconds without screwdriver or setup and it is a very short production stop.

Here are examples of magnetic click attachments

The Click attachment can be combined with special fitted packaging for delivery of pad and return of steel sockets
